COUNTY OF MERCER
ACKNOWLEDGEMENT OF RECEIPT OF ADDENDA
ADDENDUM NO. TWO

The undersigned Respondent hereby acknowledges receipt Addendum No. Two:

Date: _____

Signed: _____

Title: _____

Printed Name: _____

Date: _____

Company: _____

All bidders shall comply with the following requirements of Ordinance 2015-7 and provide the attached certification, signed with their bid response. This is a mandatory requirement.

The awarded contractor must utilize skilled workers who have successfully completed an apprenticeship program or other craft training program certified by the State Department of Labor, Bureau of Apprenticeship and Training. Proof of all workers' course completion must be provided prior to commencement of work.

All craft labor that will be employed by the firm for the project, have completed the OSHA course for safety established by the U.S. Department of Labor, Occupational Safety & Health Administration.

As a condition of performing work on public works contracts in excess of \$2,000.00 but less than \$499,999.00 total cost of project, the contractor shall provide certification that he and each subcontractor when performing work on the project shall have at least one (1) employee who has successfully completed the OSHA 10-hour construction safety and health course onsite.

As a condition of performing work on public works contracts of \$500,000.00 or more total cost of project, general contractor shall provide certification that he or each subcontractor when performing work on the project shall have at least one (1) employee who has successfully completed the OSHA 30-hour construction safety and health course onsite.

All contractors and subcontractors of any tier that perform work on project valued at over \$40,000.00, or the State bid limit for qualified purchasing agents, whichever is greater, including any public works projects, N.J.S.A.40A: 11-2(34) , maintenance work, or contracts for public works, shall meet the requirements of this Ordinance.

**“CERTIFICATION FOR PUBLIC WORKS PROJECTS AND CONTRACTS”
ORDINANCE 2015-7**

The awarded contractor must utilize skilled workers who have successfully completed an apprenticeship program or other craft training program certified by the State Department of Labor, Bureau of Apprenticeship and Training. Proof of all workers' course completion must be provided prior to commencement of work.

All craft labor that will be employed by the firm for the project, have completed the OSHA course for safety established by the U.S. Department of Labor, Occupational Safety & Health Administration.

As a condition of performing work on public works contracts in excess of \$2,000.00 but less than \$499,999.00 total cost of project, the contractor shall provide certification that he and each subcontractor when performing work on the project shall have at least one (1) employee who has successfully completed the OSHA 10-hour construction safety and health course onsite.

As a condition of performing work on public works contracts of \$500,000.00 or more total cost of project, general contractor shall provide certification that he or each subcontractor when performing work on the project shall have at least one (1) employee who has successfully completed the OSHA 30-hour construction safety and health course onsite.

All contractors and subcontractors of any tier that perform work on project valued at over \$40,000.00, or the State bid limit for qualified purchasing agents, whichever is greater, including any public works projects, N.J.S.A.40A: 11-2(34) , maintenance work, or contracts for public works, shall meet the requirements of this Ordinance.

I hereby certify as follows:

I am the duly authorized agent to make this certification.
